

THE 2009 AMERICAN IRIS SOCIETY

PRINTABLE BALLOT

May Not be Used for Official Voting

Only the Official Ballot that was mailed to the AIS Judges may be used for voting.

This version may be printed for your convenience in taking it on garden visits and making notes.

This is the first time that a copy of the Ballot has been available for the public and perhaps a little explanation would be helpful.

All AIS accredited Judges are required to vote the Ballot. The Judges are evaluating the performance of these irises seen **growing in the GARDEN**, not in shows or photos.

All iris that are registered and **first** introduced (offered for sale) **exclusively** in North America are included in the Honorable Mention categories of each type. Bearded iris are on the Ballot the second year after introduction; beardless ones are on the third year after introduction. They remain eligible for three years. Winners in the HM category drop off for one year and return in the Award of Merit category, where they remain for up to three years. Winners drop off for one year and return to compete for their respective Medal, remaining for up to three years. Winners in the Medal categories move up the following year to compete for the Dykes, the American Iris Society's highest award. Candidates remain eligible for up to three years.

INSTRUCTIONS

Failure to vote the Official Ballot in a timely manner for two consecutive years results in automatic disqualification as an AIS judge. If for any reason it is not possible for you to vote this year, state so on the ballot and return the ballot by the deadline to the Awards Chair: **Ruth B. Barker, 6183 Bar-Mot Drive, Greensboro, NC 27455-8267**

NEW INSTRUCTIONS. Please read and understand **before** marking your Ballot.

1. The ballot **must** be postmarked **no later than July 1, 2009**, to be counted. The Japanese iris ballot must be postmarked **no later than August 1, 2009**, if not returned with principal ballot.
2. To receive credit for voting, the **principal** portion of the ballot **must** be returned! The ballot is now on www.irises.org and you may print it out to take to the garden, however, **only the original may be returned to be considered a valid ballot.**
3. You must provide your name, address, e-mail, and region. Please sign and date.
4. **Mark your ballot clearly by either of these methods: use a contrasting color (blue, red, green, purple) ink pen and place an "X" clearly beside the name of the iris or use a Highlighter to highlight the iris name. Do not use a pencil!**
5. **NEW: Enter the total number of votes cast in a category in the box beside the name of the category.** Do not exceed the total number of votes allowed in each category, which is indicated in each section. If you exceed this number, your votes in that section will not be counted. You may always vote for fewer than the maximum and skip a category with which you are unfamiliar or do not have an opinion.
6. If you choose to skip a category, please put an "X" through the category and a zero ("0") in the '# Votes cast' box.
7. Note the amount of postage used to mail this ballot to you. Postage rates may increase, so please verify the postage needed, add the correct amount to the enclosed return envelope and mail to the AIS Awards Chair at the above address.

The award winners will be posted on the AIS website, www.irises.org, as soon as tabulation is completed and published in the October Bulletin. If you want a copy mailed, enclose a self-addressed, stamped envelope with your ballot.
